

IMS2009

June 9-11, 2009
 BCEC
 Boston, MA
 Halls A & B1
 As of 1-8-2009

This floor plan displays a grid of booths for the IMS2009 event. The grid is organized by booth numbers and includes various facility features:

- Entrances:** Multiple entrances are marked along the right and bottom edges of the main booth area.
- Refreshments:** Several designated areas for refreshments are scattered throughout the booth grid.
- Service Corridor:** Located at the bottom right, containing food service areas, storage, and other service-related spaces.
- Booth Numbers and Companies:** The grid lists booth numbers and the names of the companies occupying them, such as Agilent Tech (1407), Tektronix Inc (2624), and Rohde & Schwarz (2407).
- Dimensions:** Specific booth dimensions are noted for various locations, such as 50' x 50' for the Historical Booth.
